

# EveryAction and 501 Data Solutions

EveryAction has teamed up with 501 Data Solutions, a trusted consulting firm focused on data quality services, to make your organization's transition to our platform smooth and seamless. Ensuring that the most up-to-date and accurate records are moving into EveryAction can save you time and headaches during your integration.

**Through highly developed data quality efforts, 501 Data Solutions streamline and improve clients' experience.** They ensure that nonprofit organization's operations and fundraising initiatives run efficiently and smoothly. To do this, they rely on their knowledgeable team, who collectively has more than 50 years of experience in the industry.

They specialize in a broad range of services including data hygiene and data enrichment. When selecting a CRM, they can help by assessing your data hygiene and prepping it for a smooth integration.

## Best-in-Class Unified Platform

EveryAction's mission is to empower our nonprofit partners to be more effective in your mission and do more good, by providing you with the best omnichannel platform that optimizes interactions for the best outcomes, from raising more money to building more support.

# EveryAction with the Power of 501 Data Solutions

Together, 501 Data Solutions' data services expertise provides a valuable preparation service to efficiently and effectively onboard into EveryAction.

## 501 Data Solutions Services

- **Data Hygiene/Data Cleansing:** A service utilizing our Cross-FX platform to detect and correct corrupt, incomplete, or inaccurate records.
- **Data Enrichment:** A service to prepare records and data for transfer.

## Why Are They Important

- **Accurate Data** makes integration into EveryAction a smooth transition with no wasted time on corrupted, incomplete, or duplicate data.
- **Better Data** optimizes your results from wealth screening and acquisition services.
- **Cleaner Data** allows your marketing segments to be more precise.

**When you sign up with EveryAction, 501 Data Solutions will deliver your data to the EveryAction platform for free with your purchase of their data hygiene package, and you will receive a 10% discount on EveryAction's powerful unified, technology suite for the first year of your subscription contract.**
